By application accepted for filing September 28, 1995, Shirlington Limousine & Transportation, Inc., a Virginia corporation, seeks a certificate of authority for irregular route operations in the Metropolitan District.

Applicant proposes commencing operations with one minibus, one van, two limousines and two sedans. Applicant's Exhibit D consists of a proposed contract tariff containing rates for sedan, minibus and coach service, and a proposed general tariff containing hourly rates and transfer rates for minibus service. Applicant will be directed to file an amended proposed general tariff containing rates for minibus, van, limousine and sedan service.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:
